Hi Hope,

in response to your e-mail below regarding Petition 5F8415 (Decision Number 510568), EPA Registration Number 80990-1 (Decision Number 510565), and EPA Registration Number 71185-5 (Decision Number 510560), AgroSource herewith agrees to the proposed 12 month PRIA extension date from 2/13/2017 to 2/13/2018. This extension should allow the Agency enough time for approving the pending applications.

As stated earlier, we appreciate your fair assessment and consideration in moving forward with the pending antibiotic crop petitions.

If you need any additional information, please let me know.  
Thanks,  
Bert
